

Circular

Ref#: P P R \ 2021 - 743 \ S A M
Date: 08th April 2021
To: All Pharmaceutical Agents, Manufacturers & Companies
Subject: Second Pharmaceutical service Center in Bahrain

Dear All,

NHRA would like to announce the licensing of the second pharmaceutical services center in the Kingdom of Bahrain.

The newly licensed center is accredited by NHRA for conducting the following services:

- **Pharmaceutical regulatory Consultancy.**
- **Regulatory submissions phase-I validation.**
- **Regulatory submissions phase-II validation.**

Obtaining a **valid phase-I validation certificates** from a licensed and accredited pharmaceutical services center in Bahrain, will grant you a fast-track submission appointment with the Pharmaceutical Products Regulations Office (PPR), and a **valid phase-II validation certificates** will be acknowledged for a fast-track technical assessment and approval/licensing processes.

Center Name: Assure Healthcare Consulting.

Email: director@healthcare-consultant.com

Sincerely yours,

Dr. Mariam Al-Jalahma
CEO
